**MUCKEL ANDERSON ACCOUNTANTS GET CPAS**

Muckel Anderson CPAs announced that accountants **Alex Bybee**, **Alexis Thayer** and **Justin Thomsen** have earned their certified public accountants certification, giving the firm 13 full-time CPAs at its Reno headquarters.

Bybee, who recently was promoted to senior associate, specializes in tax, internal auditing, reviews and compilations for individuals and private companies in various industries. He also performs compliance for gaming properties.

Thayer, an associate, provides audit services for both private and nonprofit organizations in addition to performing individual and corporate tax returns.

Thomsen, senior associate, joined the firm in 2005. Thomsen specializes in preparing individual and corporate tax returns, compilations, and compliance and financial audits for gaming properties.
