Muckel Anderson CPAs' Justin Thomsen Earns Certified Information Technology Professional Designation

Reno, Nev. (June 8, 2011) -- [Justin Thomsen](#), CPA and senior associate at [Muckel Anderson CPAs](#), a full-service tax, audit and financial services firm, has earned a Certified Information Technology Professional (CITP) credential from the American Institute of CPA's.

Thomsen becomes one of six CPAs in Nevada to earn the designation, as listed on the CITP Credential Holder Directory, and one of 1,450 CPAs that hold the CITP credential nationwide.

As a CITP, Thomsen is skilled in the areas of business and information technology services to serve clients' business needs including risk assessment, fraud, information security, internal controls, information management and business process improvement, data analysis and financial reporting.

"Due to the nature of the CITP credential, our clients can have the confidence in Justin's ability to deliver a combination of business and information technology services to solve complex challenges facing their businesses today," said [Grant "Butch" Anderson III](#), managing partner of Muckel Anderson CPAs. "Justin will be critical in integrating technology into our firm's business strategy and those of our clients."

[Thomsen](#) joined Muckel Anderson in 2005. He specializes in preparing individual and corporate tax returns, compilations, and compliance and financial audits for gaming properties. He also assists with the firm's IT and web services. He received a bachelor's of science degree in business administration emphasizing both accounting and information systems from the University of Nevada, Reno. Thomsen currently serves as vice president of development for the UNR College of Business Alumni Board, is a member of Nevada Bighorns Unlimited and volunteers with the Reno Rodeo Association.

About Muckel Anderson CPAs: [Muckel Anderson CPAs](#) is one of northern Nevada's largest tax, audit and financial services companies employing 13 CPAs. Since 1996, Muckel Anderson has served individuals and a diverse client base of companies, including providing specialty expertise in gaming, employee benefit plans and professional medical and legal practices. In addition to its core tax, audit and financial services expertise, Muckel Anderson has a deep portfolio of [services](#) including forensic accounting and business litigation support, estate and gift tax services, bankruptcy and retirement plan programs.
