WE LOVE ACCOUNTING, SO YOU DON'T HAVE TO.

Maximize Contributions to 401(k) Plans. If you have a 401(k) plan at work, it's just about time to tell your company how much you want to set aside on a tax-free basis for next year. Contribute as much as you can stand, especially if your employer makes matching contributions. You give up "free money" when you fail to maximize your participation up to the amount your employer will match.
