A PROFESSIONAL CORPORATION

2009 Tax Organizer. You should have received your Muckel Anderson Individual 2009 Tax Organizer packet by now. If you have not, please contact Muckel Anderson at 775.686.3200.

New this year, you'll find a blue sheet included that we'd like you to sign and return. New IRS regulations require us to receive your consent to send you information you may find beneficial as a tax payer. By signing and returning the form, it allows Muckel Anderson CPAs to communicate with you by mail and email information that we feel would be useful to you as a taxpayer. This may include occasional emails with reminders, tips and other relevant information. Without your consent, we are not allowed to send you useful information as we have in the past. If you have any questions, please call your Muckel Anderson tax or financial planning advisor at 775.696.3200.
